FIELD TRIP REGISTRATION

Birding by the Bay

May 31, & June 1

Munising, MI

Field trips are posted on-line at
midwest.fws.gov/seney/imbd/htm

Saturday and Sunday Field Trip Schedule

Saturday and Sunday Morning Field Trips: Breakfast at 5 am - Field trips depart Munising at 6 am.

- #1 Pictured Rocks National Lakeshore at Grand Marais. (Tour beaches and dunes in the park and around town, searching for piping plovers and other shorebird species.)
- #2 Hiawatha National Forest Jack Pine (Watch for Kirtland's Warblers) and forest species
- #3 Seney National Wildlife Refuge's Grassland Birds. (watch for Sharptail Grouse other grassland species.)
Boreal Birding (Boreal Chickadee & Gray Jay) North of Seney
- #4 Seney National Wildlife Refuge's Wetlands (loons, trumpeter swans, bald eagles)
- #5 Warblers, Waterfalls, and Cliffs (Birding in the Pictured Rocks National Lakeshore's hardwood forests. Visit wetlands, cliffs, and see one of the park's lovely waterfalls).
- #6 Hiawatha National Forest's Grand Island National Recreation Area (View a Peregrine Falcon nest from a restored historic lighthouse perched on a cliff overlooking Lake Superior) - Requires an additional \$20 fee for ferry and bus transportation.
- #7 Michigan State University Experimental Farm (field species like bobolinks) and Forest Lake area (scarlet tanagers, etc.)
